GLAZIER TECH

ABOUT US

LOCATION: Glazier Tech is conveniently located close to the city centre and next to all major routes, in and out of the city, allowing easy access to the areas within the city and also the surrounding areas.

WORKSHOP: Glazier tech assures the client that all procedures are followed and that we comply with stringent standards for safety, product performance and reliability. We have achieved and fully met the standards that form our membership with the Retail Motor Industry (RMI) and the Motor Industries Federation (MIF).

OUR AIM: To cater to the concerns of all German Vehicles specializing in BMW. We look into the problems associated with the vehicle and resolve/repair it with the professional expertise provided by our team of qualified mechanics. We believe and strive in providing professional and honest solutions to our customers, whilst offering the highest quality of automotive service at excellent value.

OUR ADVICE: Our advice to our customers is to do regular and timeous servicing and to also carry out preventative maintenance of the vehicle to avoid major expenditure, thus ensuring trouble free motoring.
